

Village of Cement City Planning Meeting Minutes

October 10, 2024

7:00 p.m.

Village Hall

Planning Meeting

In attendance was Karen V., Rob W. Dustin B. and Myself.

We did go over some additional changes to the Master Plan including adding the fact that the Village has just recently been included in a recreation plan that is filed with the MDNR allowing us to file for grants that were out of our reach before. There were a few other small changes to the verbage used in the master plan that could affect our consideration for other funding as well. These changes were proposed by Mell Cure, The Planning Committee reviewed and approved them. The changes have been made and are included in the file attached.

Rob Williams did let us know that this would be his last planning committee meeting.

We thanked him for his many years of knowledge and service on this committee. He will be missed.

We scheduled our next regular meeting for Monday January 13th, 7:00PM.
